

Meet Nicole

Nicole is the Centriq Trainings Student Services Coordinator. She recently graduated from Emporia State University and moved back to Kansas City to help meet the needs of the students at Centriq.

Her experience as a student and a Graduate Teaching Assistant allows her to communicate with students and understand their needs. Nicole's door is always open, don't hesitate to stop by!

The primary mission of Nicole and your Centriq Student Services is to provide you with resources to support and enhance your educational experience at Centriq Training.

Steps to Success Seminar

On the first day or evening of class, you will participate in an orientation seminar led by the Centriq Student Support Center and Centriq Connections. The purpose of the seminar is to provide you with information about possible I.T. career paths, study strategies, career search preparation and the resources and benefits available throughout your training program.

Educational Counseling & Support

As you move through your career track, Nicole will be a daily resource for study tips, professional development, time management, or any questions related to the educational experience

Schedule Management

Nicole coordinates all student scheduling needs, including rescheduling and re-sitting of courses when needed.

Mentoring Coordination

You will also have access to instructor mentors when you would like personalized instruction on a course topic or certification exam. Based upon the your schedule and the topic you wish to cover, Nicole will coordinate a session with a mentor.

Career Skills Development

Nicole can also provide job search strategy and career development counseling in addition to Tina, the Centriq Connections Career Consultant.
