

Job Description - Corporate Technology Trainer

Do you love technology and find joy in helping others learn? Join a talented team of instructors at Centriq Training!

Description: We are always seeking passionate, experienced technical trainers to deliver courses within our Corporate Training Division. Our corporate students are adult learners in professional classroom environments. Class deliveries are open-enrollment/public or private dedicated courses for specific clients. Students may be in-classroom or virtual, thus trainer candidates should be experienced with delivering highly-interactive courses through in-person and web-based platforms.

Our Corporate Trainers specialize in various subject matter areas, including:

- Desktop / Business Applications
- Professional Development & Business Skills
- Project Management / Agile / Business Analysis
- Programming – Java, .NET, JavaScript
- Microsoft Certified Trainers (MCT's) specializing in SQL Server, Windows Server, Azure, Visual Studio, Office 365, Exchange, SharePoint, Skype for Business, System Center, PowerShell, Windows Operation Systems
- Cisco Routing & Switching
- Cyber Security
- CompTIA – A+, Network+, Security+, Linux+
- Virtualization
- Cloud Computing

Required Expertise:

- Deep subject matter expertise and proven experience in the area you desire to teach
- Experience delivering technical training to adult learners in a professional environment

Preferred Education and Certifications:

- Bachelor degree
- Industry Certification in Your Field
 - Examples – PMP, MCSA/MCSE/MCSD, CCNA, VCP, RHCE, CEH, Security+, CSM, ITIL, etc.
- Vendor Trainer Certification
 - Examples - CompTIA Certified Technical Trainer (CTT+), Microsoft Certified Trainer (MCT)

Additional Requirements:

- Highly professional and polished
- Adaptive and flexible
- Ability to outline and develop customized curriculum and supplements
- Excellent communication skills, verbal and written
- Excited to consistently learn new skills, tools, and technology
- Positive attitude, sense of humor and creativity
- Ability to work and make decisions with minimal supervision
- Individual contributor and team player
- Ability to travel on a limited basis (less than 15%)

The Perks & Benefits:

- Health
- Dental
- Vision
- Prescription Drug
- Flexible Spending Accounts
- Life Insurance
- 401(k)
- Dedicated prep weeks and work/life balance
- Company gatherings and social events
- Instructor prep area featuring big screen tv's, Xbox, ping-pong and more
